

I am from Transkei, My only son Sanket  
Mdunyelwa, was seeing the doctors almost  
every week due to the headache.

The doctor in Transkei advised me  
to take him to Empire Headache  
Clinic. Of which I did on the  
4<sup>th</sup> of June. I brought my son  
to Empire Clinic, I was very  
worried. Doctors in Empire Clinic  
said my son need no tablets  
or drugs, He only need something  
to put it on the count he  
will be better in 3 month time, still  
couldn't believe. I said to my-  
self, My money have been wasted

Many thanks to the Clinic  
since then my son never  
been in hospital or doctor.

STANFORD Mdunyelwa  
from MQANDILI, Eastern Cape, all the way.  
Many-Many thanks to doctors and Nurses  
of Empire Clinic.
