Dear Sir,

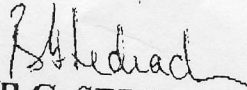

I would like to take this opportunity to thank you all at the Headache Clinic for the wonderful job you did to my life.

I have been having severe headaches since 1997 at least twice a week and I was now going to the Doctor only to get sick leave because the drugs were not doing anything to my headaches. The Headache Clinic cured me in only two days in June 2001. Since then I have never been sick due to headache and I am very grateful.

I have already recommended two of my friends whom I believe will soon get the good results.

Congratulations from me and my family. You have really relieved me from the severe pains.

Yours faithfully,

B.G. SEDIADIE (Mrs)
