ATTENTION JOLENE

DEAR DOCTOR SHEVEL AND THE STAFF

I would like to take this opportunity to thank you Doctor and the Clinic staff for the help you gave me when I already gave up on my headache.

I had a problem of headache for about 15yrs and I have tried different Doctors and neurologists but no improvements were made, I use to have more than four / 4 drugs a day trying to cure headache but there was no different until a friend of mine introduced me to this Clinic, I only took about 5-6 months on treatment and a cure was found for me and no drugs or injections was used to cure me.

Only Headache Clinic managed to cure my headache by using a gum plate underneath my tongue and so far I am feeling good.

THANKS TO HEADACHE CLINIC AND THE STAFF AND WISH YOU COULD HELP MORE PEOPLE HAVING THE PROBLEM I HAD AND LASTLY, THANK THE PATIENT ALL THE STAFF HAD, KEEP IT UP.

Yours truly,

Mrs. M. R. TSOTETSI.
